

Parent Information Sheet

School Visit to Mega Air

This information sheet is provided to support families when their child is attending a **school-organised visit or event at Mega Air**.

The visit forms part of an approved school programme and is delivered in line with the school's Education Outside the Classroom (EOTC) processes.

Purpose of the Visit

School visits to Mega Air may include:

- Supervised physical activity sessions
- Team-based activities
- Structured school events or socials
- Assemblies, prizegivings, or student celebrations

These activities are designed to support **student wellbeing, social development, and engagement** within a structured and supervised environment.

Supervision & Safety

- The visit is **teacher-led**
- School staff retain overall supervision and responsibility for students
- Mega Air staff support activity delivery, safety briefings, and venue operations
- All activities are structured, supervised, and age-appropriate

The venue operates as an **alcohol-free, underage-only environment** during school visits.

Activities & Event Spaces

Depending on the programme, students may participate in:

- Supervised movement or activity sessions
- Team-based activities
- Structured social or celebration events

School events may take place in a large indoor function space that includes:

- A stage and seating
- Sound, lighting, and visual screens
- Designated areas for socialising and breaks

All spaces are supervised and configured specifically for school use.

Behaviour Expectations

Students are expected to:

- Follow instructions from teachers and staff
- Behave respectfully towards others
- Participate safely and within agreed rules

Clear behaviour expectations are communicated to students before and during the visit. Teachers manage behaviour, supported by venue staff where needed.

What Students Should Bring / Wear

- Comfortable clothing suitable for movement
- Closed-toe footwear (as advised by the school)
- Any required medication (e.g. inhalers), clearly labelled

Students should avoid bringing valuables unless required for the school programme.

Medical & Wellbeing Information

- Schools collect relevant medical information prior to the visit
- Teachers retain access to student medication
- Activities can be adjusted to suit student needs
- Students may take breaks or opt out of activities if required

Food & Breaks

- Scheduled breaks are included in the programme
- Lunch or BBQ arrangements are managed by the school
- Students eat in designated, supervised areas

Transport & Timing

- Transport to and from the venue is organised by the school
- Arrival and departure times are supervised
- Roll checks are conducted throughout the visit

Questions or Concerns

If you have any questions about your child's participation, please contact the school directly.
